

2011 Japan-Korea Joint Technical Workshop on Semiconductor Power Converter Call for Papers

IEEJ –Industrial Application Society
Semiconductor Power Converter Technical Committee
Chair Tsuneo Ogura

We are greatly honored to announce a workshop, 2011 Japan-Korea Joint Technical Workshop on Semiconductor Power Converter, will be held from Oct. 21st to 23rd in Fukuoka University, Fukuoka Japan and Aso kogen hotel, Kumamoto Japan. This workshop is the second one (totally fourth one including the first two Kenkyukai style ones) and the last year workshop was held in Busan, Korea and the venue alternates in Japan and in Korea in each year. This year, we are planning a technical tour go to Kyushuu Electric a geothermal (generating) plant, and the lap session about the green energy prospective in both country will be held in Aso area. We are looking forward to see you and we hope many papers will be gathered in the workshop.
